Jefferson, Bullitt, Oldham, Shelby,  
Franklin, Spencer, Henry and Trimble  
**8310 Westport Road**  
**Louisville, KY 40242**  
**PH: 502/210-5400**  
**FAX: 502/210-5499**

## ROADSHOW for the week beginning April 5, 2010

Inclement weather or other unforeseen circumstances may occur, so the information below is strictly of an advisory nature and is subject to change with no notice.

Pothole patching, sweeping, drain & ditch cleaning, pavement marking, and maintenance crews may work on major interstates in the Louisville Metro area only during non-peak daytime hours and at night. Motorists should watch for roadside maintenance and pavement marking crews on interstates and highways throughout the rest of the district on a daily basis.

### Jefferson County:

**Interstate 264:** Lane closures and delays expected in both directions between Preston Highway and Interstate 64 (mile points 12.4 and 18.7) due to concrete pavement repairs. **The ramps from Breckenridge Lane north and south to eastbound I-264 will be closed on Monday, April 5th from 8:00 p.m. until 6:00 a.m. the following morning. The ramp from eastbound I-264 to north and south Breckenridge Lane will be closed Wednesday, April 7th from 8:00 p.m. until 6:00 a.m. the following morning.** The roadway may be reduced to three lanes weeknights Monday – Friday from 8:00 p.m. and 10:00 p.m. After 10:00 p.m., the roadway may be reduced to two lanes until 6:00 a.m. the following morning. On weekends, lane closures are possible from 8:00 p.m. on Friday until 6:00 a.m. on Monday. The speed limit will be reduced to 45 MPH in the construction zone and double fines will be enforced. Construction is scheduled for completion in May 2010.

**Northbound Interstate 65:** Lane closures with a rolling road block between I-264 and the John F. Kennedy Bridge (mile points 130.8 and 136.8) from 8:00 p.m. on Monday, April 5th until 6:00 a.m. on Tuesday, April 6th. These lane closures will allow for repairs to the overhead dynamic message signs.

**Interstate 264/Interstate 64 interchange:** Shoulder closures and delays possible at the ramp to westbound I-64 approaching the Sherman Minton Bridge (mile point 0.1) due to ramp replacement. Motorists must follow the signed detour via eastbound I-264 and exit at Bank Street where they can access westbound I-264 and then rejoin eastbound I-64.

**Interstate 64:** Lane closures and delays possible between I-265 and the Jefferson/Shelby County line (mile points 18.8 and 23.9) due to roadway widening. **Traffic stoppages are possible on eastbound I-64 Wednesday, April 7th and Thursday, April 8th between 9:00 a.m. and 3:00 p.m. due to bridge beam placement at Floyds Fork. Lane closures are scheduled for April 5-9 from 7:00 p.m. each evening until 6:00 a.m. the following morning.** The speed limit is reduced to 55 MPH in the construction zone and this is a **double fine work zone**. Construction is scheduled for completion in the fall of 2010. As part of this project, **Clark Station Road will be closed at the I-64 overpass. The road will be closed beginning April 5 for removal and replacement of the bridge. Motorists should follow the signed detour via US 60 to Conner Station Road (in Shelby County) to KY 148.**

**Interstate 264:** Shoulder closures possible between US 60 and US 42 (mile points 19.8 and 22.2) due to construction of an interchange at Westport Road. Watch for construction vehicles entering and exiting the roadway. The **speed limit is reduced to 45 MPH** in the construction zone. Lane closures and delays are also possible on Westport Road between Hubbards Lane and I-264 (mile points 0.9 and 1.9). Speed limit on Westport Road has been **reduced to 25 MPH** in the construction zone. Construction is scheduled for completion in the spring of 2010.

**US 60A (Eastern Parkway):** Roadway is **closed** between Hahn Street and the entrance to the J. B. Speed School of Engineering (mile point 3.8 to 3.7). This closure will allow for extensive repairs to the bridge over the CSX Railroad. Motorists should follow the signed detour via Crittenden Drive, Central Avenue and Third Street (KY 1020).

**KY 913 (Blankenbaker Parkway):** Lane closures and delays are possible between Electron Drive and Bluegrass Parkway (mile points 1.4 to 2.2) due to roadway resurfacing. Lane closures are possible weekdays from **6:00 p.m. until 5:00 a.m. the following morning. Lane closures are possible on Saturdays from 7:00 p.m. until 5:00 a.m. the following morning and on Sundays from 2:00 p.m. until 5:00 a.m. the following morning.**

**KY 1065 (Fegenbush Lane):** Construction delays and lane closures possible at intersection with KY 864 (Beulah Church Road), mile point 10.0, due to construction of a right turn lane. Construction scheduled for completion in May 2010.

**Bullitt County:**

**KY 1494 (Beech Grove Road):** Roadway is **closed** at the bridge over Long Lick Creek (mile point 5.5) due to bridge replacement. Motorists should detour the area via KY 61.

**Franklin County:**

**US 421 (Leestown Road):** Construction delays are possible between Chenault Road and US 60 (mile points 1.5 and 3.0) due to roadway widening. Motorists should watch for construction vehicles in the area. Construction is scheduled for completion in the fall of 2010.

**Henry County:**

**KY 22:** Lane closures and delays possible at the Kentucky River Bridge near the Owen County line (mile point 22.4) due to construction of a new bridge. Lane closures and delays are also possible on KY 355 in Owen County at mile point 6.6.

**Oldham County:**

Routine maintenance

**Shelby County:**

**Interstate 64:** Lane closures and delays possible between the Jefferson/Shelby County line and the Simpsonville exit (mile points 23.2 to 28.1) **April 5-9, 2010 from 7:00 p.m. until 6:00 a.m. the following morning** due to roadway widening. The speed limit is reduced to **55 MPH** in the construction zone. Construction is scheduled for completion in the summer of 2011.

**Spencer County:**

Routine maintenance

**Trimble County:**

Routine maintenance
